GERMAN CHILDREN'S LITERATURE AWARD

Since 1956 the German Children's Literature Award (Deutscher Jugendliteraturpreis) has been given annually to outstanding works of children's and young adult literature. It is endowed with 72,000 Euro in total and funded by the German Federal Ministry for Family Affairs, Senior Citizens, Women and Youth. The goal of the award is to strengthen children and young adults in their personal development and to offer guidance to the vast German book market. The award has been international since it was established: books that have been translated from other languages are just as eligible as German books.

Each year a **jury of critics** awards prizes in the categories of Picture Book, Children's Book, Young Adult Book and Non-Fiction. Furthermore, an independent **young adult jury** awards its own prize. It consists of six reading clubs from all over Germany. The juries nominate six titles, which have been published the previous year, in each category. Out of these they choose the winning titles. The awards carry a value of 10,000 Euro and can be split up between authors, illustrators and translators.

On March 12, 2020, this year's shortlist was presented at the Leipzig Book Fair. The award winners will be announced on October 16, 2020, at the Frankfurt Book Fair. The award is organized by the Association for Children's and Youth Literature (Arbeitskreis für Jugendliteratur), German Section of the International Board on Books for Young People (IBBY).
