## GERMAN CHILDREN'S LITERATURE AWARD

Since 1956 the German Children's Literature Award (Deutscher Jugendliteraturpreis) has been given annually to outstanding works of children's and young adult literature.

It is endowed with a total of 72,000 Euro and funded by the German Federal Ministry for Family Affairs and Youth. The goal of the award is to strengthen children and young adults in their personal development and to offer guidance to the vast German book market. The award has been international since it was established: books that have been translated from other languages are just as eligible as German books.

Each year a **Jury of Critics** awards prizes in the categories of Picture Book, Children's Book, Young Adult Book, and Non-Fiction. Furthermore, an independent **Young Adult Jury** awards its own prize. It consists of six reading clubs from all over Germany. In each category the juries nominate six titles, which have been published the previous year. From those they choose the winning titles. The awards carry a value of 10,000 Euro each and can be split up between authors, illustrators and translators.

On March 17, 2022, this year's shortlist was unveiled online. The award winners will be announced on October 21, 2022, at a ceremony during the Frankfurt Book Fair. The award is organized by the Association for Children's and Youth Literature (Arbeitskreis für Jugendliteratur), the German Section of the International Board on Books for Young People (IBBY).
